THE CHIMES

Dear Starkdale Family and Friends,

Once again, Vickey and I rejoice in completing seven years of ministry by your side and for being part of your loving and supportive church family. This month commemorates our seventh anniversary at Starkdale; we arrived here from Florida on May 1st of 2005. It amazes us how fast time flies.

As we reflect on our seven years of ministry together, I cannot recall a single incident when you as a congregation and church officers have, in any way, failed us. Your love, support and generosity continue to make you very dear to our hearts and very invaluable to our work in Christ's name. As I have said on several occasions, and I mean it, "you have exceeded by far any pastor's expectations for a productive ministry." This fact came to a climax when you took the brave and giant step to join the Evangelical Presbyterian Denomination in support of the elders' unanimous recommendation (during a congregational meeting on Sunday, March 25th).

The good news is that this is a move you and your future generations will never regret. In fact, with the trust and support you continue to show your elders, the increase in membership as a result of getting in the habit of inviting your friends to worship, upholding and strengthening the peace and unity of the congregation, and the diligent work in which the Youth Pastor Nominating Committee is presently involved,

Starkdale membership can in no time reach the mark of five hundred active members. Of course, parking may be a hindrance, yet, no future pastor will object to having three or four services on Sunday. And who knows, God may have other plans for bigger facilities. Oh, how I wish, I can still be on this side of heaven to witness such growth! This is dreaming big, and dreaming big for God should be our heart's desire because our God is BIG. The thing that needs to be avoided though is for a church to remain the same, to get stuck or become stagnant.

Ron Edmondson, a church planter and pastor with a heart for strategy, leadership and marketing is especially geared toward developing churches and growing and improving the Kingdom of God. He says, "I was talking with a church recently that had explosive growth, but things have slowed". They wanted to know why they were not growing any longer. I decided to share my quick answer here.

In my experience, the reasons for getting stuck and/or halting growth include:

You get comfortable...It's okay to be comfortable, but when you hang out there too long, it can be dangerous, because you stop trying new things to spur growth and excitement.

You quit dreaming...Dreams inspire, challenge, and grow people and organizations. You'll never dream bigger than the dreams God has for you or your church.

You stop taking risks...You can't succeed at anything without a measure of risk. Playing it safe never grows anything. The call of God always involves risk-taking.

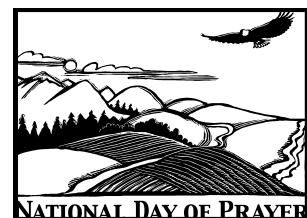

You start maintaining...When you fall into the mode of protecting what you have, you'll be less likely to encourage growth for fear of losing ground.

You fail to walk by faith...Especially for the church... we are a faith-based organization. If you aren't walking by faith in what you are doing...it's impossible to please God.

I pray that we will do anything in our power as members and friends of Starkdale to prevent this from happening. God is good! Keep up with his good work.

STARKDALE YOUTH GROUP NEWS

Starkdale Youth Group enjoying the Annual Gala

Dorothy Hackathorne (1929-2011)
was honored by the SYG.

The Starkdale Church was well represented at the Annual Jefferson County Fourth Street Health Clinic Gala on April 1. The SYG is winding down, the last few months have been very busy. We have been working on music for a little concert we hope to put on in the near future. We also had a dart baseball night, hopefully we will one day be able to defeat the Dart Champs of the church. Maybe it is true the older you get the better you get. Well anyway we, the SYG are giving it our best shot, we will challenge them soon.

On Palm Sunday we sold key chains. Dorothy Hackathorne was going to do a project and didn't get it finished so Wayne gave it to us to finish and we did. It was crosses of course, what else with Dorothy's love for the Lord. So we called them Dorothy's crosses. We also sold candy balls for a ticket to win an Easter basket. Bev Wyman won it, and she was most excited. We also served the Easter Pancake Breakfast. Our fearless leaders Tom and Tyra Timmons lead the way, they appointed Rick as the sausage cook, assisted by Sharon, and Tom Peterson was head pancake flipper, his helpers, SYG members. Tom and Tyra directed the rest of the SYG youth as they served up a blessed breakfast. Behind every Pancake leader is one great pancake, oh and some goooood sausage.

And to round it all out there was a highlight of the year- The 4th Street Health Center Gala. The whole SYG attended and it was wonderful. The Church had our back's all the way. We always said "help us to help them" and you did. We had a wonderful church member attendance at the gala, and through God's grace not only did we help them, you helped our very own SYG member Misty Brake win the Scholarship. Dorothy was also honored at the gala with the dedication of equipment for diabetes education that was donated with the memorial funds received by the youth group in memory of Dorothy Hackathorne.

To God be the glory,

SYG

ABIGAIL'S ANGELS

On Saturday, September 22, 2012 our church along with Trinity Health System will be sponsoring the First Annual Abigail's Angels Charity Walk. Since the planning has just recently begun, many ideas and plans are still in 'the works'. We will have pre-registration forms available soon. Also we know that the Finish Line Festivities will include refreshments, games, inflatable's, a DJ and face painting. As the details are finalized, we will be sharing them with you.

We are in search of sponsors for our event. There are several levels of sponsorships. Individuals can be sponsors as well as businesses. Please see Jody Glaub, Carolyn Glaub, Keith Murdock, Cindy Sagrilla, Jane Gambos or Lori Kinney for more details or call the church office at 740-264-5309.

And, as always we are looking for volunteers for the day of the event. We need nurses, drivers, kitchen helpers, helpers at the registration tables, and help with the games and popcorn machine. There is something for everyone to help with at this event. Cindy, Jane or Lori would be happy to place your name in one of our various committees.

Jill Wickham will be heading up a Chinese Auction and would appreciate gift basket

donations. Please see Jill for details.

Please keep us in your prayers as we go out into the community and ask for support. Our goal is nothing short of finding a cure before Abigail and other children lose their sight.

It's amazing to think that the work in the laboratory to develop a gene therapy for RDH12 LCA could be available for use by the RDH 12 kids in three short years. But in order to realize this goal, we must find a way to continue to provide the doctors with the resources necessary to push this cure across the finish!

As we all know, through God, ALL things are possible.

Be prepared to experience history in a completely unprecedented way.

The state-of-the-art 70,000 square foot museum brings the pages of the Bible to life, casting its characters and animals in dynamic form and placing them in familiar settings. Adam and Eve live in the Garden of Eden. Children play and dinosaurs roam near Eden's Rivers. The serpent coils cunningly in the Tree of the Knowledge of Good and Evil. Majestic murals, great masterpieces brimming with pulsating colors and details, provide a backdrop for many of the settings.

The area within the museum has been divided into unusually configured spaces that allow for personal interaction with each of the 160 exhibits. Several parts of the museum, including the stunning forty-foot high portico with its cliff wall and floor-to-ceiling glass windows, flaunt open spaces and remarkable designs. Walk through the Garden of Eden. See the scaffolding, smell the freshly-cut timbers in the busy work site of Noah's Ark. Dig up dinosaur bones—or come face to face with *T. Rex*.

THEATER: The themes of the exhibits resound in the theater presentations: *Men in White*, *Six Days of Creation*, *The Last Adam*, and *Dinosaurs and Dragons*. Our Special Effects Theater, complete with rumbling seats and rising mists, takes visitors on a fantastic quest to find the real purpose and meaning of life.

PLANETARIUM Each seat is a rocket launching pad in our *Stargazers Planetarium*. Prepare for lift-off. The digital projector showcases a spectacular gravity-defying spaceflight, a thrilling ride billions of light years away to the vast outer regions of our universe.

THE ZOOLOGICAL AND BOTANICAL GARDENS - Creatures great and small inhabit the three gardens that accentuate the landscape at the Creation Museum. Turtles rest on the logs in the lake, sunning themselves while a 12 foot topiary dinosaur strikes a fearsome pose in the rainforest garden. Bright flowers attract hummingbirds and butterflies to the hillside garden, and the bog garden is home to carnivorous plants like the amazing Venus flytrap and pitcher plant. Over 6,000 plants have been placed within the lake, and 500 varieties of plants fill the gardens, displaying a rich palette of designs. Enjoy a picnic lunch with your family under the shade of our spacious pavilions. Walk down Cherry-tree Lane. The arching bridges, tiled courtyards, and large gazebo are joined with a five-foot-wide paved walkway, just under a mile long, suitable for strollers and wheelchairs.

Don't miss a chance to enjoy the wonders of God's creation in our *Petting Zoo*—something that's sure to please children of all ages or just the child in you.

Noah's Café is a perfect stopping place for tired and hungry visitors where you can relax with a sandwich and salad or a snack and beverage. Enjoy seasonal delights at the Lakeside Grill. Or stop for a specialty coffee and more at the Palm Café.

Please join us for this one day trip to visit the Creation Museum. Cost is \$20.00 for a seat on the deluxe bus and admission cost (see below) Please call 740-264-5309 to reserve your seat on the Creation Museum Tour Bus. The Bus will leave the Starkdale parking lot promptly at 6 a.m. We will leave the museum at 5 p.m. with a short dinner stop on the way home. Please bring a lunch or plan to buy something to eat at the museum. Adult (13–59 yrs): \$19.95; Senior (60 yrs & up): \$15.95; Children (5–12 yrs): \$11.95; Children (under 5 yrs): Free; Planetarium: \$7.95

QUILTERS' INC. ON THE MOVE

Ten quilters and two “escorts” journeyed to Holmes County, Ohio for the “Amish Country Mini Quilt and Cuisine Shop Hop”. The quilters visited five quilt shops in Amish Country where they received a pattern for the “mystery” quilt and a recipe. At 2:30 the doors open to the anticipating quilters at the Berlin Christian Center where the five quilt shops displayed their “mystery quilts” and the quilters were served a taste of each recipe they had received. It was an exciting day for all of us as we feasted our eyes on beautiful fabric and our taste buds on wonderful cuisine. A special thanks to our “escorts” Bob Burns and Bob Kaine for driving the van and generally taking care and watching out for the ladies.

In other Quilters' InC. news: Group founder and teacher, CarolynLee Barrett reports that she recently sent 36 baby quilts that were made by the Quilters' InC. members to Pittsburgh Children's Hospital and West Penn Hospital NICU for our Preemie Project for Quilters' InC.

Anyone with a basic knowledge of sewing and their own equipment is welcome to join Quilters' InC. We are a group of Christian ladies united in our joy of quilting. Please call CarolynLee Barrett at 264-7683 or the church office 264-5309 for more information.

Our Escorts—Bob Kaine and Bob Burns

Quilters' InC. members (L-R) Bonnie Kaine, Ella Jane Burns, Mary Scott, Bob Kaine, CarolynLee Barrett, Bob Burns, Lyn Madigan, Anamae Zamborsky. (Sharon Petrilla and Dolores Visyak, and Mikey Brown-ing were still buying fabric).

BATTER UP!

As most of you know we've been playing Dart Baseball for over ten years and this year we will give over one thousand dollars to local charities.

With the end of our season and Memorial Day approaching, we think back and we are saddened as we remember those players that have dropped out of the line up, but we are comforted knowing they are with the Lord.

First we lost Ed Schnabel. Ed was one of the original members of Dart Baseball. Then there was Rall Coleman. Rall would step up to the line, steady himself and usually hit a home run. After that there was Emma Sedivy. Emma loved Dart Baseball. At her funeral the presiding minister even mentioned how much she enjoyed coming to Dart Baseball. It makes us feel good knowing we brought a little more happiness into her life. Later Bea Christopher passed away then her husband, Hugh, somehow they always ended up on the same team at our games. On August 20, 2011, Dorothy Hackathorne slipped away. Dorothy brought Dart Baseball to Starkdale from Marblehead, Ohio. Through her efforts and many others it wasn't long before you could hear the echoing cries "Play Ball – Batter up!!"

To continue in the baseball vernacular we feel they all hit their final home run and rounded the bases and crossed home plate to be at home safe with our Lord.

We know the Lord is not going to ask how many homeruns or how many hits you had or even how many errors you committed. We would only hope He would say, "Well played my good and faithful servant. Go on through those pearly gates, you're up to bat next!"

We also would like to remember Hank Schaefer, Conrad Carson and Mary Lois Eft who are out of the line up because of health problems. Our dear friend Connie Freshour hasn't been able to be with us for other reasons and we miss her.

We open every season with our rousing rendition of "Take me out to the ball game", and every game begins with a prayer.

So if you are looking for something to do on Tuesday evening at 6 P.M. come on out and join us for some good food, lots of fun, and to act a little silly at Starkdale's Dart Baseball League. You can't beat the price, the ticket is free and the experience is priceless.

God Bless

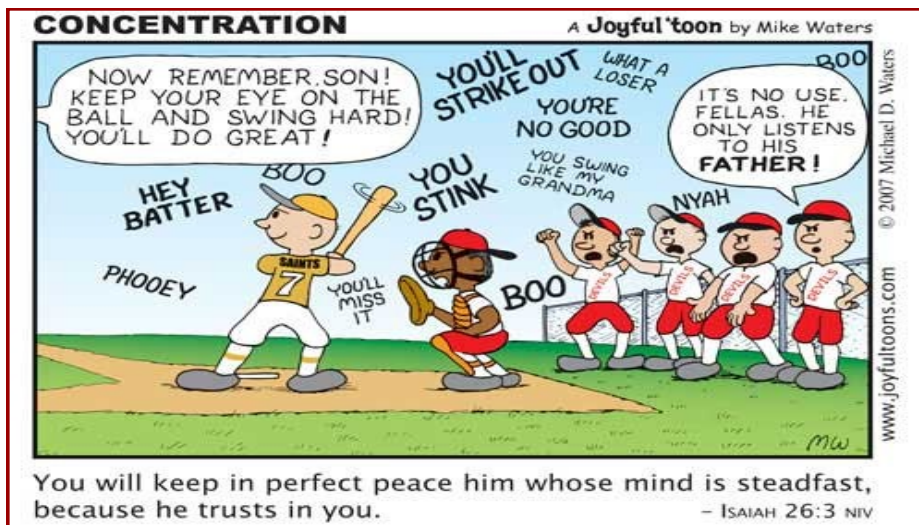

Wayne Hackathorne

The Lord's Baseball Game

Bobby and the Lord stood together, watching a baseball game. The Lord's team was playing Satan's team. The Lord's team was at bat, the score was tied zero to zero, and it was the bottom of the 9th inning with two outs. Bobby and the Lord continued to watch as the batter, **Love**, stepped up to the plate. Love swung at the first pitch and hit a single, because Love never fails. The next batter was named **Faith**, who also got a single because Faith works with Love. The next batter up was named **Godly Wisdom**. Satan wound up and threw the first pitch; Godly Wisdom looked it over and let it pass, because Godly Wisdom does not swing at Satan's pitches. Ball one. Three more pitches and Godly Wisdom walked, because Godly wisdom never swings at Satan's throws. The bases were loaded.

The Lord then turned to Bobby and told him He was now going to bring in His star player. Up to the plate stepped **Grace**. Bob made a face... Grace certainly didn't look like much to him! Apparently Satan's whole team agreed: they all relaxed and laughed a little when they saw Grace. Thinking he had won the game, Satan wound up and fired his first pitch. To all but one's amazement, Grace hit the ball harder than anyone had ever seen. But Satan was not worried; his center fielder, the Prince of the Air, let very few get by. He went up for the ball, but it went right through his glove, hit him on the head and sent him crashing to the ground; then it continued over the fence for a HOME RUN! And so the Lord's team won.

The Lord then asked Bobby if he knew why Love, Faith, and Godly Wisdom could get on base but could not win the game by themselves. Bobby, looking a bit sheepish, admitted that he didn't know. The Lord explained, "If your love, faith and wisdom could win the game, you would think you could win it by yourself. Love, Faith and Wisdom will get you on base, but only My Grace can get you home." SUMMER READING LIST

Consider compiling a summer reading list goal for yourself. Choose one or two books from the new church library and determine to read them this summer. Perhaps you'd like to write a book review for the CHIMES! We'd love to hear your thoughts! We have children's books too! Something for everyone! Feed your brain and your spirit with a couple of good books from our new library inventory! *"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. Child Abuse Awareness and Prevention

The Lord has blessed us with such a wonderful ministry with the kids from the Children's Home.

These are children that experience first-hand the nightmare of child abuse.

The staff at the home has expressed their thanks to our congregation for all that we do for the kids.

We had the opportunity to talk with a few of the staff members and asked them what the greatest needs were at this time.

The staff members provided a "wish list" of things they would like to have on hand when a child arrives at the home. More times than not, the child has been taken hurriedly out of the home, with no time to pack or worse yet – nothing TO pack.

In keeping with the Children's Services

theme of pinwheels, the Outreach Commission has placed a "Pinwheel of Hope" tree in our Narthex. We are hoping that you will find it in your hearts to take a pinwheel off the tree. On the pinwheel you will find a suggestion of an article of clothing that would greatly help the kids at the home. Please bring your item back to the Narthex and place your item under the tree sometime this month. We will then take the items to the Children's Home.

Also, the staff has requested gently used boys clothing items.

As always, thank you for your help. You are making a difference in the lives of many children.
