SUNDAY SCHOOL “RALLY DAY”

We’re ready to get back into the routine and kick off another year of great Sunday School for all ages here at Starkdale EPC. Sunday, September 8, 11 a.m.—1 p.m.

There will be games, food, a fun activity provided by Kurt James, and lots of good fellowship for all ages.

Sunday School is a very important part of our assembling together. It’s a time when we can learn, ask questions, and share with our peers. Please don’t neglect to participate in Sunday School. There’s a class for every age at 9 A.M. (9:30 Beginning on October 6).

Dear Starkdale family (Members, Worship Guests, and Friends of our congregation), Truly, I can't express in words how thankful I am for your continued and genuine support of our session's vision regarding the future of our church. Because of your commitment to the Lord and your generosity:

- A) We have been able to add several staff positions (Rev Bobbyjon Bauman, Rev. Tom Bullard, and an additional part time secretary).
- B) We have been unanimously authorized to look for land in preparation for anticipated community growth.
- C) We have been able to embark on new programs which you also encouraged through your financial giving and prayers. Some of those programs enriched our fellowship and our mission. From congregational trips to the Pirates games, to out-of-the state youth trips to help the poor, to contributing to the needs of Urban Mission and the Health Clinic ...etc., if it weren't for your faithfulness to the Word of God, none of these programs and more would have been possible.
- D) We have been able to remodel the Sanctuary (last year) and the Fellowship Hall (this past week). The facili-

ties are looking their best ever, thanks to your financial gifts and the hard work in preparation by Jerry Palmer, Bob Burns, Dave Daily, and Wayne Hackathorne, to mention a few.

- E) We have been able, through Rev. Bauman's ministry to us, to reach out to the community officials and authorities to give us the green light to have an access to the school system and to local government institutions to reach out to community youth and provide them with events geared to win them to Christ.

In all these, God has been glorified and will be glorified for many years as long as we remain faithful.

As you may already have known, and possibly, have experienced, our world is changing, and rapidly heading in the wrong direction. The moral values of people are deteriorating more than ever. Traditional family values are now being severely attacked and about to be eliminated. Christian teachings and principles are constantly mocked and resented. The threats facing world economy, politics, and diplomatic relationships are remarkably on the rise. The nations are at war. Even small communities like

Audrey Kerr

A card was received in the office from Mary Hathaway and family: *Perhaps you sent a lovely card, or sat quietly in a chair, Perhaps you sent a floral piece, If so we saw it there. Perhaps you spoke the kindest words As any friend could say; Perhaps you were not there at all, Just thought of us that day, Whatever you did to console our hearts, We thank you so much whatever the part.*

SYM 2014 EVENTS

It has been an exciting summer. We closed the "youth ministry year" with our mission trip to Birmingham Alabama, where we served by scraping and painting a house as well as building a wheelchair ramp and back steps at a home. We also painted three rooms, sorted and organized food at a food shelter and met Adam Sandler on our day away in Atlanta!

I also enjoyed attending the Jefferson County Fair and watching Abigail Kinney show her goat. I also "hung out" with David Kinney, Kayla Huff, Emily Throckmorton and Michael Ford for a while as they showed me their animals. Our youth and congregation also earned just over \$1,100.00 through the "Baby Bottle Campaign" for AIM Ministries (thanks to Miranda Parkinson and Gabrielle Peterson for spearheading this campaign). I was also asked by the mayor of Steubenville to serve on two task force committees dealing with youth and drugs in order to have a "clergy voice" on the board. We also have some exciting upcoming events in which I encourage everyone to take part.

The **Starkdale Youth Ministry Fall Calendar** is printed on the back of the September Calendar on page 9 and 12 for your convenience and accessibility.

- ⇒ **"God & Science Night...How Great Is Our God"** Jan. 5th - DVD by Louis Giglio (The speaker who spoke at the Chris Tomlin Concert we went to last year)– This DVD is simply dynamite... do you think God & Science are at odds? If so join us for this evening and see how God's Word & Science are friends, not enemies. 6:00-7:30. P.M. Free sub sandwiches & soda.
- ⇒ **Ginny Owens "Abigail's Angels" Benefit Concert** – March 22– Join us as we welcome Ginny Owens –Dove Awards New Artist of the Year (2000). She lost her sight at age five but has continued to write and play piano music and sing to God's glory. She will be here at Starkdale on March 22 and 23.. All ages will enjoy her music. All profits from this event will go to benefit "Abigail's Angels"
- ⇒ **Reggie Dabbs** - April 7-8, Reggie speaks to more teens than anyone in the United States each year (over a million). Now Steubenville teens will have the chance to hear his dynamite motivational ideas. He will speak at Big Red and a couple of area schools. Details will be forthcoming.
- ⇒ **Sean McDowell** – October 14-15, 2014 – We have booked Josh McDowell's son to speak for our fall Evangelism retreat next year. The retreat will be a combined youth and adult event. Sean speaks to thousands of teens each year and is an expert in answering tough questions about the faith that teens (and adults) ask.

Mission Trip in Review—

It's hard to say what was the best part of the trip to Birmingham, it was all so wonderful. I will begin with renting the car and driving behind the Van for over 11 hours. My thoughts ahead of time were that it would be long and tiresome, but it was just the opposite, the time flew and it was fun and exciting. And, we NEVER LOST SIGHT OF THE VAN! The trip home was just as enjoyable and the fellowship times when we stopped to eat were great.

The second was the people we met at the church when we got there and especially Jim. Jim made our coffee in the morning, gave us hugs and lots of support and love. He stayed all week and slept there at night in the gym to help us when we needed it. Jim was a true servant of God and did it all as a volunteer. The third highlight was the heart of our children. They wanted to make a difference in people's lives and to show their very best efforts in work and showing God's love. That joy and expression of their love to people was so evident in all they did and said. There is a lot to be thankful for, the trip, those touched, growing as Christians through the messages each night and our safe return. God had his hand on each of us. All the items we lost were found, even losing my camera at the Atlanta zoo. It was found and is being returned by security!! Thank you God for watching over us.

Blessings,

Janice Whitaker-Elder and Youth Assistant

I recently had the opportunity to travel on the Starkdale Youth Birmingham Mission trip. It was great to see the youth do awesome work for people in need while serving the Lord!! The mission trip was totally put together by Pastor Bobbyjon. He organized the youth and a few of us adults to travel. He made all the many prior plans, emails, phone calls, etc. to all the people in Birmingham. While at Birmingham, he organized all the sleeping rooms, went grocery shopping, and spent time daily with small group meetings including worship/teaching sessions with Bob Stone. He prepared and had printed daily agenda, Bible study material and morning devotions. Every morning Pastor Bobbyjon got up very early and prepared breakfast so the youth would be all fueled up to leave for work by 7:30 A.M. He, and with some help from Isaac, prepared eggs, breakfast sandwiches and other warm breakfast foods plus each youth's favorite cereal! Additionally, he made all the arrangements for the sites to visit in Birmingham and Atlanta, GA. I am not sure how he arranged Adam Sandler. :-)

All in all, enough cannot be said on how thankful I am of Pastor Bobbyjon and his work for the youth. Thank you Pastor Bobbyjon!

6 A Merry Heart Doeth Good..... Starkdalian on vacation.....

Joke from De De Foley

Walk this way

After a teen passed his driver's test he asked his father when he could get a car. The father said he would make a deal with his son. You bring your grades up from a C average to a B average, spend more time studying your Bible and get your hair cut- then we'll talk about the car. The boy took his father up on the offer. Several weeks later he reminded his father about their deal: "Son, your grades are up, and I've noticed you studying your Bible more," his Dad replied, "but I'm disappointed you didn't cut your hair." "Dad, I've been thinking about that," the teen said. "Reading the Bible I noticed that Sampson, Moses and Jesus all had long hair." After a moment his dad replied "Did you also notice that they all walked everywhere they went?"

Ella Jane Burns took an impromptu trip to Farmington, Missouri in the company of her daughter, Cathy Brozka, who resides there. She also visited with her grandson and his wife, Jonathan and Laura McLean, and 9 month old great grandson—Nolan McLean.

Barb Wrkich sporting a "fashionable" hat on vacation in Hilton Head, SC.

Wayne Hackathorne traveled to Germany with his son, Dan, and grandson Cross in July. The photo above shows the beautiful hilly countryside, and the photo below is of Wayne's summer vacation home—not really—it's a beautiful old castle located on the top of a mountain.

PRECIOUS LITTLE MIRACLES

On July 6, 2013, James Archer Conrad (Pictured at right) was born. Why, you might ask, is this any different than other birth announcement? Well, his mommy, my grandson's wife Jess, had to have an emergency C-Section and Archer came to us ten weeks early, weighing 2lbs. 10 oz. His lungs were not fully developed and he needed intubation. Because of fluid in his lungs he was on two antibiotics and Lasix. He was given fluids through a tube in his umbilicus and his kidneys were slow to respond.

I remember how difficult it was the first time I visited the NICU and saw a very fragile

little boy laying in his isolette, fighting for his life. However, Jesus, our God of compassion and mercy, heard all of our prayers and responded by touching Archer and allowing him to live.

Today I am overjoyed to report that he weighs 4lbs. 7oz., his feeding tube has been removed and he's being transferred to a private room on the Pediatric Unit at West Penn Hospital. I wish to thank all of you at Starkdale Church for your prayers and support. ~Sandy Conrad

Congratulations to Sarah (Brown) and Justin Tegano on the birth of their daughter, Skylar Addison, on August 21 at 4:22 A.M. at Magee Womens Hospital. Skylar weighed 8 pounds and is 21 inches long. Proud grandparents are Dr. Tom and Suzanne Brown! Congratulations to everyone!!!

ours are faced, almost daily, with the dangers of drugs and their related crimes; to mention a few.

If the church loses grip of what is essential to life and to human destiny, very soon the church would be copying the world. In the process, we would be failing God, our selves, and our future generations, not to mention having to face and undergo God's just judgment. Thank you for your determination to not let this happen to Starkdale. Thank you for joining our staff in the war against all those forms of evil I have listed, and thank you for your prayers and every effort you contribute to make the spiritual difference in the life around you. Once again, permit me to say that there is no better place for any pastor than to be part of a faithful congregation like you. Sincerely, as we serve Christ together,

Philip Makari
